

With your support, **We Will** help children with special needs reach their full potential.

Your gift **Will** make a huge difference in the life of a local child.

# Do you know children who are unable to get the therapy they need due to financial constraints?

## We Do.

Now, through the formation of Elevations, a children's therapy resource foundation, we can provide access to the resources Spokane's children need.

**Elevations is funded solely by donations.** Your gifts make it possible to bridge the gap between children's needs and access to the resources and support they need to improve their overall quality of life. Every donation helps make a child's future a little bit brighter.
