Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds

The board of directors approves a total grant award amount for each grant cycle. A grant committee approves requests for grant funds for medical related expenses based on available funds and the nature of the request. The applicant is notified of the award and they are required to accept the award by signing and returning the notification. In many cases, the medical clinic is also notified of the amount and scope of the award. The applicant is given a time frame where the grants funds can be used. The awards would be based on anticipated medical related expenses which are not covered by their individual or family health insurance plan. No cash funds are given directly to the grant recipient. When a medical invoice has been sufficiently submitted to the insurance provider, the remaining balance is forwarded to the Organization and it is considered and paid using the pre-approved benefit under this program. If award funds are available, the medical bill is paid on behalf of the participant.

Form 990, Part III, Line 4a - First Accomplishment

Helping Children with special needs reach their full potential by providing access to the resources and support they need to improve their overall quality of life.

Since inception, Elevations has awarded more than 700 grants totaling over \$600,000 for children with special needs to access therapy services and home therapy equipment in the Spokane area. Whether the child's grant is for copays towards occupational therapy, funding for speech therapy services, physical therapy deductibles, specialized home equipment, or other therapy services not covered by insurance that enhance the quality of life for these children, the trajectory of a child's life is positively affected.

Helping to cover out-of-pocket medical expenses for families struggling with the financial demands of caring for a child with special needs allows all children the opportunity to reach their full potential regardless of their parents' socioeconomic status.

Elevations partners with local pediatric therapy providers to stretch every dollar to help as many children as possible. The organization was founded by and relies on the time and commitment of a core group of 25 volunteers as well as many others who give of their time at events. Many of our
